HOSPITAL 
FOUNDATION  
 

It's a little bit country, and a whole lotta love!

February 1, 2 & 3, 2023

Since 2003, the Country 105 Caring for Kids Radiothon has raised more than \$40 Million for the Alberta Children's Hospital Foundation, funding state-of-the-art equipment, family-centred programs and ground-breaking research at the Alberta Children's Hospital. Year after year, this beloved event also lifts the spirits of the community by allowing listeners a glimpse into the hospital, through the stories of the children and families who have experienced its life-saving, life-changing care firsthand.

In this everchanging world, one thing remains the same: the Alberta Children's Hospital is a constant bright spot for families—and that is undoubtedly thanks to people like you.

Radiothon is a special opportunity to reflect on our resiliency and to be tremendously proud of how we look after each other—especially our kids.

This year, as we mark our 20th year, we respectfully ask for your support through a Power Hour Sponsorship during the Country 105 Caring for Kids Radiothon.

Power Hour sponsorship benefits

YOUR INVESTMENT \$15,000

BENEFIT	VALUE	C105	Q107
15 x 30-second pre-produced promo (pre and during event)	\$12,200	✓	✓

- Foundation website ✓
- Hospital digital news ✓
- Logo on Event banner ✓
- Logo in Calgary Herald half page ad ✓

*Opportunity to provide team of Phone Bank volunteers ✓

TOTAL VALUE \$44,725

(*Pending COVID-19 restrictions)

Radiothon & COVID-19

Last year, out of the utmost safety of the children, families, and staff at the hospital, the Caring for Kids Radiothon was once again, for a second time, hosted virtually. Even though the three-day broadcast may have sounded a little differently, thanks to our loyal sponsors, generous Miracle Makers, and five extra incentive gifts of \$100,000 from philanthropist Tom Crist, together we raised an incredible \$2.25 million for sick and injured children in our community.

Planning is already underway for the 2023 Country 105 Caring for Kids Radiothon. While we hope to return to the Alberta Children's Hospital for an in-person event for our 20th anniversary in 2023, we know based on the evolving nature of the pandemic, returning to the airwaves virtually for a third time is a very real possibility to ensure everyone's safety. Whether Radiothon is in person or virtual, we now know from the success of 2022's event that the inspiration and support it will garner for the children and families at the hospital will remain the same. Rest assured that if Radiothon returns as a virtual event, nearly all sponsor recognition opportunities outlined in this proposal will be fulfilled. We will work closely with Country 105 to ensure your return on investment remains the same.

We are incredibly grateful to you for your consideration of our request for sponsorship of the 2023 Country 105 Caring for Kids Radiothon. Together, we can ensure that children in our community continue to receive the best care possible – when they need it most.

Thank you.
