KIDS HELPING KIDS

JUNIOR GOLF CLASSIC

SUNDAY, JUNE 11, 2023

Silver Springs Golf and Country Club

1:45 – 3:30 pm: Registration, BBQ lunch and optional 30 minute golf clinic with the Silver Springs golf pros

4:00 pm: 9-Hole shotgun start

The annual Kids Helping Kids Junior Golf Classic is a much-loved event for our youngest golfers! This fun-filled day brings together golfers who get the chance to practice their chipping and putting skills with the Golf Pros before teeing off in the 9-hole shotgun start.

Enjoy treats and goodies from our wonderful sponsors, and take part in a delicious BBQ lunch, all while supporting the kids and families at the Alberta Children's Hospital. Since 2017, the Kids Helping Kids Junior Golf Classic has raised \$113,000 in support of the Alberta Children's Hospital. This event is such a great example of what young people can accomplish together. You are invited to support this great event, with sponsorship opportunities available.

Thank you for your commitment to make an impact in our community!

Looking to the future and the next 100 years, we are thankful the 100,000 children and families who rely on the hospital for care each year will have the continued support of our generous community, like yours.

Thanks to you, experts have been able to carry out world-class research to identify and develop new and better treatments and, in some cases, cures. Your support ensures specialists are equipped with leading-edge tools and technology, allowing for quicker, more accurate diagnoses and more effective intervention, sooner. And thanks to your generosity, the hospital is home to specialized programming to make health journeys a little more bearable for families and allow kids to still be kids.

Thanks to you, the possibilities for progress in the next 100 years are endless. We are grateful for your sponsorship consideration for the 2023 Kids Helping Kids Junior Golf Classic, which will help children and families today, and in the future.
